

## **Participation by the Council and Board and Commission Members at City-Wide Events**

There is an opportunity for Council and Board and Commission members to work in partnership at City sponsored Events.

Some of the benefits for Boards and Commissions participation are:

- Serve as ambassadors
- Facilitate more interaction with constituents
- Give and gather public information
- Attract and recruit potential Board and Commission members
- Collaborate on ideas in an informal setting
- Stimulate community interest

### **Procedure on How to Participate**

- Interested Board and Commission members will advise the City Clerk's office at 730-7595, on what time they are willing to cover the table/booth.
- City staff will provide both a booth or a table for City Council and Boards and Commissions.
- City Council and Boards and Commissions will be sharing the table/booth.
- City Council and Boards and Commissions will be responsible for staffing the booth at each event.
- City staff will provide Boards and Commissions recruiting material.
- This outreach effort is the sole responsibility of the City Council and Boards and Commissions with no City staff assistance.
